A note about face mounting to plexi:

Lightside offers face mounting for c-print and some archival pigment print papers with a variety of presentation options including UV Protection, Non-Glare and Regular plexi in 1/8" and 1/4" thickness finished with either polished or sanded edges. We also "sandwich" face mounted prints with Aluminum, Dibond, Plexi and Sintra and can prepare wood or aluminum tube bracing for hanging and framing.

Please inquire directly for pricing on face mount projects.
